About the Holst Group – www.holstgroup.co.uk

Established in 1984 we have a robust history of helping our clients attract, manage and develop their strongest asset – the right people. Our expertise is based on the thoroughly researched, validated and proven Psychometric Testing tool, The McQuaig System™.

In 1992 we were chosen by Dr Edward de Bono, the world's leading authority on creativity and innovation, to represent him in the UK, Ireland and Europe. In 2000 we added two internationally recognised training programmes to meet the growing need for simple, clear communication.
